Thank you for choosing Texas Breast Specialists-Presbyterian Dallas for your health care needs. We are privileged to have patients entrust us with their medical care and allow us to be an integral part of their healthcare journey. Our patients are our number one priority and we make every effort to make the patient experience the best we can offer.

In order to provide you patient care efficiently and effectively, please follows these instructions carefully in order to avoid rescheduling of your appointment:

Patient Paperwork and Identification:

- Please complete the New Patient Packet enclosed.

Testing/Imaging Requirements:

- If performed outside of Texas Health Presbyterian Hospital of Dallas or Southwest Diagnostics Imaging facility – Contact the facility in order to obtain the imaging Report **and** the imaging Films. These are **REQUIRED** for review by the physician.
- Please provide our physician related test results which can include mammograms, ultrasounds, biopsy, pathology reports, and MRI's.
- If you have had a biopsy, the slides will be required.

Insurance Requirements:

- Bring your insurance card(s).
- Referrals from your PCP: If your insurance requires a referral from your primary care physician, please obtain this prior to your appointment.
- We accept checks, credit cards, and cash for services rendered in the office, hospital, and/or surgical facility.

Please feel free to contact our office for any additional information you may need. Our office is open from 8:30am to 4:00pm, Monday thru Friday. Again, our physicians and staff welcome you to Texas Breast Specialists-Presbyterian Dallas and we look forward to meeting you!
